

## Workshop “Climate Collage 2” Summer Semester 2024

<b>Name of the course</b>	Climate Collage 2
<b>Name of the lecturer</b>	<b>Susan Penrose</b>
<b>Description of the course</b>	<p>The Climate Collage is an introduction to how the climate works and the consequences of its disruption. Created by the French association “La Fresque du Climat”, it aims to make one million people aware of the challenges of the climate.</p> <p>This one-day workshop is run in two sessions. The morning session (Climate Collage 1) is dedicated to building a picture of the climate crisis as outlined by the latest IPCC report and includes a debrief, where we share our opinions and feelings.</p> <p>In the afternoon session (Climate Collage 2) we explore the social and political consequences as climate change scenarios begin to play out.</p> <p>Students who have already attended Climate Collage 1 need only attend the afternoon session.</p>
