

Erasmus+ Moby Dig - Transnational mobility & interdisciplinary STEM modules in the digital era

Transnational Course in Biomaterials and Chemistry

Location: Luleå University of Technology

Timetable for Intensive Study Period 11.01.2018

Arrival at Luleå Airport:

Bus service to and from Luleå Airport

Luleå Airport is served by Luleå Local Traffic's route 4.

Prepaid travel tickets and 3-day tourist cards from Luleå Local Traffic (LLT) may be purchased at the Mat & Fika café at Luleå Airport and in the Quickomat machine located at the bus shelter outside the airport terminal. In the Quickomat you can also add credit to your bus card and check the balance.

Passengers may also pay by credit card on the bus, but LLT encourages the use of bus cards and prepaid travel tickets. Please note that cash is not accepted on LLT buses.

More information

Timetable information: +46 771 99 00 00.

[More information about bus service to Luleå Airport \(new window\) – in Swedish only](#)
